

Duct Castle

For Engineering Industries

داكت كاسل للصناعات الهندسية

SPECIALIST SO WE INNOVATE

Company
Profile

History

Duct Castle has been established in Abu Rawash Industrial Zone, Giza State of Egypt , as a factory specialized in HVAC System. Throughout a 20-years Professional Management, Duct Castle team expanded its long experience to provide Egyptian market with the best of its operational expertise. The Collaboration agreements started with eminent Contractors, awarding Duct Castle the Ductworks of the biggest projects in Egypt that have been executed with perfection. Across the years, Duct Castle has succeeded to satisfy the market needs and rapidly been well-known.

Duct Castle Is an ISO(IGC) Certified Company (ISO 9001:2015, ISO 14001:2015 & OHSAS 18001:2007) following the HS&E Regulations, implementing its own Policies.

Duct Castle production has been approved by IGC (Institute of Global Certification), as well as by the major International Consultants, since its method of manufacturing complies with the International Standards, such as SMACNA and DW144, with their latest versions, since its production line meets its Standards & Regulations.

Duct Castle proudly gathers the most expertise and highly motivated staff; it currently consists of One Hundred professional employees, skilled manpower; and yet is consistently seeking to grow its family, concurrently retaining the same level of performance and professionalism.

Our Mission

Being the Leading Duct Manufacturer in Egypt, is incessantly expanding its capacity of production, able to undertake the ongoing and incoming biggest Projects in Egypt. Duct Castle is constantly seeking to provide the best services and the highest quality of fabrication to be achieved on a timely manner, exceeding Customers expectation to successfully meet the project handover date.

Our Vision

Our distinct future vision is based on our teamwork goals and the target that we are focusing on to become the Number 1 Manufacturer within the few coming years, we intend to expand our Products Range that are all Made in Egypt the Industrial Sector with the most competitive quality, price and execution.

Values

- 1- Integrity**
To have a work ethic, honesty and transparency.
- 2- Meet customers' requirements**
Offer the customer a product at the lowest cost and highest quality.

Provide the customer with fast and accurate engineering solutions.

3- Responsibility and commitment

Commitment to delivery dates agreed with customers.

Make sure you achieve the principle of equality and promote values of humility and respect for others.

4- Innovation

Continuous work to develop and improve the quality of products and the adoption of international standards.

Work on inventing manufacturing methods that save time and effort on the human factor as it saves on the consumption of raw materials

Our Factory

A mass area consisting of an Office Building, a Workshop occupying an Large Area, equipped with the most Advanced, Sophisticated and Computerized Machines, a large Warehouse for the storage of the fabricated products. The latest Technology of CNC machines utilized in Duct Castle Factory, increases the Speed and the Capacity of Production, which makes Duct Castle distinctive and superior.

Beside the Ductworks, Duct Castle performs the Fabrication for Most of Accessories Relevant To Duct Works, such as Plenum Boxes, Access Doors, Flexible Duct Connectors, Air Dampers and Other Accessories.

Products

➤ Duct Works:

- **Galvanized Steel Ducts**
 - Rectangular Ducts
 - Spiral Round Ducts
 - Longitudinal Seam Round Ducts
- **Black Steel Welded Ducts**
 - Rectangular Flanged Ducts
 - Round Flanged Ducts
- **Stainless Steel Ducts**
(Longitudinal Seam Or Argon Welded)
 - Rectangular SS Ducts
 - Round SS Ducts
- **Aluminum Jacketing**

➤ Air Dampers:

- **Manual Volume Control Damper.**
(Rectangular & Round VCD)
 - Aluminum sections Damper
 - Fire Rated Steel Damper
- **Motorized Volume Control Dampers.**
(Rectangular & Round VCD)
 - Aluminum sections Damper
 - Fire Rated Steel Damper
- **Motorized Smoke Fire Dampers.**
(Rectangular & Round MSFD)
- **Motorized Smoke Dampers.**
(Rectangular & Round MSD)
- **Fire Dampers.**
(Rectangular & Round FD)
- **And other Dampers**

➤ **Air Outlets:**

● **Air Diffusers**

- Square and Round Ceiling Diffusers.
- Jet Diffusers.
- Linear Slot Diffusers.
- And other Diffusers.

● **Air Grills**

- Double Deflection Linear Grills.
- Single Deflection Linear Grills.
- And other Grills.

● **Air Louvers**

- Fresh Air Louvers.
- Exhaust Louvers.
- And Other Louvers.

● **And the Special Decorative Air outlets.**

➤ **Flexible Duct Connector.**

- Silicon Coated Temperature range -30C° to +250C°
- Silicon Coated Temperature range -30C° to +180C°
- PVC Coated range -30C° to +80C°
- All Dimensions are available.

➤ **Access Doors.**

- The Insulated Access Door has been designed to create an airtight seal utilizing a moisture, oil and grease resistant neoprene gasket between the door to frame and the frame to duct.
- Available For Galvanized and Black Steel Duct Works
- Available for Rectangular and Round Duct Works

➤ **Slot Linear Plenum box.**

- Plenum Box Including Round VD with Mechanism.
- Or Just Including round Neck.
- All Sizes and acoustic Lining Methods are Available

SOME OF OUR REFERENCE PROJECTS

Our company currently contributes to many national Mega projects implemented by the largest Egyptian contracting companies and supervised by major consulting offices in Egypt and the Arab world.
